The Boys of My Youth is filled with family picnics, small celebrations, and fragility. Beard knows that her teenage efforts to "have a better personality" were as futile as her later attempt at "practicing being snotty, in anticipation of being dumped by my husband," but that doesn't make her any less fond of her younger self.

A searing and exhilarating new collection from the award-winning author of The Boys of My Youth and In Zanesville,who "honors the beautiful, the sacred, and the comic in life" (Sigrid Nunez, National Book Award winner for The Friend). A New York Times Notable Book A New York Times Book Review Editors' Choice A Boston Globe and LitHub Best Book of the Year When "The Fourth State of Matter," her now famous piece about a workplace massacre at the University of Iowa was published in The New Yorker, Jo Ann Beard immediately became one of the most influential writers in America, forging a path for a new generation of young authors willing to combine the dexterity of fiction with the rigors of memory and reportage, and in the process extending the range of possibility for the essay form. Now, with Festival Days, Beard brings us the culmination of her groundbreaking work. In these nine pieces, she captures both the small, luminous moments of daily existence and those instants when life and death hang in the balance, ranging from the death of a beloved dog to a relentlessly readable account of a New York artist trapped inside a burning building, as well as two triumphant, celebrated pieces of short fiction. Here is an unforgettable collection destined to be embraced and debated by readers and writers, teachers and students. Anchored by the title piece—a searing journey through India that brings into focus questions of mortality and love—Festival Days presents Beard at the height of her powers, using her flawless prose to reveal all that is tender and timeless beneath the way we live now.

This is a book about young men who learned to play baseball during the 1930s and 1940s, and then went on to play for one of the most exciting major-league ball clubs ever fielded, the team that broke the colour barrier with Jackie Robinson. It is a book by and about a sportswriter who grew up near Ebets Field, and who had the good fortune in the 1950s to cover the Dodgers for the Herald Tribune. This is a book about what happened to Jackie, Carl Erskine, Pee Wee Reese, and the others when their glory days were behind them. In short, it is a book fathers and sons and about the making of modern America. 'At a point in life when one is through with boyhood, but has not yet discovered how to be a man, it was my fortune to travel with the most marvelously appealing of teams.' Sentimental because it holds such promise, and bittersweet because that promise is past, the first sentence of this masterpiece of sporting literature, first published in the early '70s, sets its tone. The team is the mid-20th-century Brooklyn Dodgers, the team of Robinson and Snyder and Hodges and Reese, a team of great triumph and historical import composed of men whose fragile lives were filled with dignity and pathos. Roger Kahn, who covered that team for the New York Herald Tribune, makes understandable humans of his heroes as he chronicles the dreams and exploits of their young lives, beautifully intertwining them with his own, then recounts how so many of those sweet dreams curdled as the body of these once shining stars grew rusty with age and battered by experience.

From the acclaimed author of The Boys of My Youth and Festival Days, a "mesmerizing... beautifully written" debut novel that evokes the wrenching, exquisite moment just before we step into adulthood (Ann Patchett) The fourteen-year-old narrator of In Zanesville is a late bloomer. She flies under the radar — a sidekick, a marching-band dropout, a disastrous babysitter. Luckily, she has a best friend with whom she shares the everyday adventures of a 1970s American girlhood, incidents through which a world is revealed and character is forged. In time, the two girls' friendship is tested — by their families' claims on them, by a clique of popular girls who stumble upon them, and by their first startling, subversive intimations of womanhood. With dry wit and piercing observation, Jo Ann Beard shows us that in the seemingly quiet streets of America's innumerable Zanesvilles is a universe of wonders, and that within the souls of the awkward and the overlooked often burns something radiant. "Probably my favorite novel of the year...A marvelous reading experience...I don't think I'll ever forget the unnamed, perfectly realized narrator of In Zanesville." —Nancy Pearl, NPR

WINNER OF THE NOBEL PRIZE® IN LITERATURE 2013 The ten miraculously accomplished stories in Alice Munro's Friend of My Youth not only astonish and delight but also convey the unspoken mysteries at the heart of all human experience. "Friend of My Youth is] a wonderful collection of stories, beautifully written and deeply felt."--Michiko Kakutani, New York Times

By the New York Times–bestselling author of Moonglow: “When you read these stories, it may strike you how seldom you come across really beautiful writing” (USA Today). Cherished by readers and critics alike for such extraordinary novels as The Amazing Adventures of Kavalier & Clay, The Mysteries of Pittsburgh, and Wonder Boys, Michael Chabon is at the height of his considerable powers in this striking and bittersweet collection of short stories. An anxious young misfit does nothing to protect his best friend from the scorn of their teachers and classmates. A kleptomaniac real estate agent leads an unhappy couple on a disastrous house tour. A heartbroken grifter finds his ex-girlfriend’s grandmother to be an easy mark—and an unexpected source of redemption. Throughout these stories, Chabon’s characters, suffused with yearning but crippled by broken love, often find themselves at a crossroads—and faced with sudden insight. Michael Chabon is “Updike without the condescension,” wrote James Hynes in the Washington Post Book World, “Cheever without the self-pity, a young American Nabokov who writes with a rueful joie de vivre.” In this darkly funny, achinglly delicate collection, he renders the compromises of adulthood and the vivid fantasies of childhood with clarity and warmth. This ebook features a biography of the author.

Written with uncanny precision and wild humor, this is the story of Billy Connors, high school student in the Bronx, member of the swim team, and all-around regular guy, who in his sixteenth year has to face the fact that he’s a little different from everyone else, a little “weird.” Though he’s sort of going steady with a girl and popular at school, he’s always worried that the secret fantasies he has about men would set him apart and make him “different” if anyone knew about them. How Billy faces up to himself-and his friends-as he discovers the complexities of life, the exuberance of sex, and what it means to be an adult in our imperfect world, makes for a touching, wise, and very moving novel.

An Amazon Best Book of the Year optioned for television by Gabrielle Union! In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys. Both a primer for teens eager to be allies as well as a reassuring testimony for young queer men of color, All Boys Aren't Blue covers topics such as gender identity, toxic masculinity, brotherhood, family, structural marginalization, consent, and Black joy. Johnson's emotionally frank style of writing will appeal directly to young adults.
