Should wisdom be judged by the answers we give to life's greatest questions? Or conversely, should wisdom be judged by the profundity of our questions? In The Chain, author Samir Morcos inspires us to begin our search for insight by first acknowledging our ignorance. He then guides us through the philosophical and theological maze he refers to as a puzzle. One piece of the puzzle may trigger us to question how our bodily form came into existence. Another piece may activate our curiosity about the ebb and flow of the ocean's tides. Everywhere we look, from the color of our eyes to the people in our lives, we see questions, and we are propelled by our inner longing to seek satisfying answers. The Chain reveals startling revelations about age-old reflections. It takes its readers on the journey of their lives-and beyond Life challenges inspired author Samir Edward Morcos to become intensely interested in some tough topics, like guilt, evil, and truth. His drive to unravel the uncertainty of the universe, and to share what he has learned, impelled him to write The Chain. While he lives in the real world, he is inspired by the ethereal.The Chain will clear your confusion through logic, wisdom, and knowledge. Morcos was born in Cairo, Egypt, and now lives in Fairfax, Virginia. Publisher's website: <http://www.strategicpublishinggroup.com/title/TheChain.htm>

Meet Benni Harper...a spirited ex-cowgirl, quilter, and folk-art expert who's staking out her own corner of the contemporary American West. She's got an eye for murderous designs--and a talent for piecing together the most complex and cold-blooded crimes. Benni's taking time from her job at the folk-art museum to sponsor a "senior prom" at San Celina's retirement home. During the dance, she's surprised to find herself waltzing with Clay O'Hara, the Colorado cowboy she had a crush on when she was seventeen. She's even more surprised when Clay's uncle and an elderly woman are found dead in one of the residents' rooms. Now Benni's trying to find a link between the two victims--and the common thread that bound them together in death...

When a mother is targeted by a dangerous group of masterminds, she must commit a crime to save her kidnapped daughter—or risk losing her forever—in this "propulsive and original" award-winning thriller (Stephen King). It's something parents do every morning: Rachel Klein drops her daughter at the bus stop and heads into her day. But a cell phone call from an unknown number changes everything: it's a woman on the line, informing her that she has Kylie bound and gagged in her back seat, and the only way Rachel will see her again is to follow her instructions exactly: pay a ransom, and find another child to abduct. This is no ordinary kidnapping: the caller is a mother herself, whose son has been taken, and if Rachel doesn't do as she's told, the boy will die. "You are not the first. And you will certainly not be the last."Rachel is now part of The Chain, an unending and ingenious scheme that turns victims into criminals—and is making someone else very rich in the process. The rules are simple, the moral challenges impossible; find the money fast, find your victim, and then commit a horrible act you'd have thought yourself incapable of just twenty-four hours ago. But what the masterminds behind The Chain know is that parents will do anything for their children. It turns out that kidnapping is only the beginning. "McKinty is one of the most striking and most memorable crime voices to emerge on the scene in years. His plots tempt you to read at top speed, but don't give in: this writing—sharply observant, intelligent and shot through with black humor—should be savored." —Tana French "A masterpiece. You have never read anything quite like The Chain and you will never be able to forget it." —Don Winslow "Diabolical, unnerving, and gives a whole new meaning to the word "relentless". Adrian McKinty just leapt to the top of my list of must-read suspense novelists. He's the real deal." —Dennis Lehane "Pairing an irresistible concept with a winner protagonist, The Chain promises to be your new addiction once you succumb to the first enticing page." —Alafair Burke "A grade-A-first-rate-edge-of-your-seat thriller. I can't believe what went through my mind while reading it." —Attica Locke
