Beginning a New Series by a New York Times Best-Selling Author. Will the People of Earth Bow Down to Alien Overlords<sup>3/4</sup>or Will They Live Free or Die? First Contact Was Friendly When aliens trundled a gate to other worlds into the solar system, the world reacted with awe, hope and fear. But the first aliens to come through, the Glatun, were peaceful traders and the world breathed a sigh of relief. Who Controls the Orbitals, Controls the World When the Horvath came through, they announced their

With their control of the orbitals, there's no way to win and earth's governments have accepted the status quo. Live Free or Die. To free the world from the grip of the Horvath is going to take an unlikely hero. A hero unwilling to back down to alien or human governments, unwilling to live in slavery and with enough hubris, if not stature, to think he can win. Fortunately, there's Tyler Vernon. And he has bigger plans than just getting rid of the Horvath. This potpourri of satire on language use in Western culture will trigger chuckles and guffaws from an eclectic readership In *The Clan of the Flapdragon and Other Adventures in Etymology* by B. M. W. Schrapnel, Ph.D., the pseudonymous critic satirizes a variety of subjects in and out of academe. These adventurous essays include lampoons on writing, language, and literature, and the collection is a delightful spoof of much in contemporary culture—especially areas of intellectual pretension. Readers will be entertained by anachronistic allusions, improbable parodies, whimsical etymologies, tongue-in-cheek word play, and stunning purple prose—examples of just some of the liberties Schrapnel takes

with the language. Dr. Schrapnel includes a wide array of audience reactions in the form of bogus letters from fictional readers, confirming that language and literature are everyone's business. He also offers an annual list of words that writers and speakers should use more often—a lexicographer's equivalent to the endangered species list—and coins terms such as prufrockery and grendelish.
