The I-5 Killer' is a decent but unremarkable effort by Ann Rule, the queen of true crime novels. While it does give accounts of horrible sexual crimes and murders by a completely unrepentent monster, the book lacks many elements of Ann Rule's better works: intricate courtroom drama, in-depth analysis of the criminal's background, and detailed chronology of the police/forensic work done in proving the criminal's guilt.

**The I 5 Killer Revised Edition (PDF, EPUB EBOOK)**  
The I-5 Killer is story of Andy Woodfield. As with all Ann Rule books, The I-5 Killer chronicles Woodfield's early life and his decline into cold blooded killer as well as the investigation and the investigators that led to his capture. Woodfield was a killer of women...good looking on the outside, super creepy on the inside.
