The Killing of History: How Literary Critics and Social ...

A huge success in hardcover, The Killing of History argues that history today is in the clutches of literary and social theorists who have little respect for or training in the discipline. He believes that they deny the existence of truth and substitute radically chic theorizing for real knowledge about the past.

The latest contribution to this genre of dissent is also among the most devastating, intellectually sophisticated, and wide-ranging in its indictment. Written by an Australian historian called Keith Windschuttle, the book is titled The Killing of History: How a Discipline is Being Murdered By Literary Critics and Social Theorists. If the title seems a tad lurid, rest assured that the evidence that Mr. Windschuttle assembles to make his case amply justifies the strong rhetoric.

His common-sense arguments against cultural relativism and radical skepticism frequently grade into the commonplace, the stuff of college seminar debates over Karl Popper's principle of falsifiability vs. Thomas Kuhn's paradigm shift. The Killing of History is best when debating the facts of history rather than theoretical differences. Citing works by fellow ordinary historians like Ganath Obeyesekere on Hawaii and Inga Clendinnen on the Aztecs, Windschuttle glosses over how Tzvetan Todorov ...

THE KILLING OF HISTORY by Keith Windschuttle | Kirkus Reviews

The Killing of History by Keith Windschuttle For 2,500 years, since the time of Herodotus and Thucydides, historians have sought to record the truth about the past. Today, however, the discipline is suffering a potentially lethal attach from the rise to prominence of an array of French-inspired literary and social theories, each of which denies that truth and knowledge about the past are possible.
