Dr. Martin Couney's story is a kaleidoscopic ride through the intersection of ebullient entrepreneurship, enlightened pediatric care, and the wild culture of world's fairs at the beginning of the American Century. As Dawn Raffel recounts, Dr. Couney used incubators and careful nursing to keep previously doomed infants alive, while displaying these babies alongside sword swallows, bearded ladies, and burlesque shows at Coney Island, Atlantic City, and venues across the nation. How this turn-of-the-twentieth-century émigré became the savior to families with premature infants--known
