DARING THOUGHTS FOR THOSE WHO DARE TO THINK is an interesting book that goes beyond the political correctness boundary to tell things like they are without hesitation. The author has no fear of controversy as he presents more than 2001 modern ways for you to be wise, bold and uncompromising! He expresses his ideas with a dash of sarcasm expressed with class and a zest for truth. The ideas that Mortimer expresses are ageless and will appeal to a broad audience regardless of age, class, race and gender. It is for the intellectuals, the thinkers, and anyone who has a hard time putting two thoughts
