Timely, controversial, and incisive, *Toward a Political Philosophy of Race* looks uncompromisingly at how a liberal society enables racism and other forms of discrimination. Drawing on the examples of the internment of U.S. citizens and residents of Japanese descent, of Muslim men and women in the contemporary United States, and of Asian Indians at the turn of the twentieth century, Falguni A. Sheth argues that racial discrimination and divisions are not accidents in the history of liberal ...

[Toward a Political Philosophy of Race - SUNY Press](#)

Political philosophy, branch of philosophy that is concerned, at the most abstract level, with the concepts and arguments involved in political opinion. The meaning of the term political is itself one of the major problems of political philosophy. Broadly, however, one may characterize as political all those practices and institutions that are concerned with government.

[political philosophy | Definition, History, Theories ...](#)

Political philosophy, also known as political theory, is the study of topics such as politics, liberty, justice, property, rights, law, and the enforcement of laws by authority: what they are, if they are needed, what makes a government legitimate, what rights and freedoms it should protect, what form it should take, what the law is, and what duties citizens owe to a legitimate government, if ...

Abstract. Events involving the persecution of African?Americans and other racial groups are normally thought to involve a pre-existing minority being singled out out for persecution. In Toward a Political Philosophy of Race, Falguni Sheth argues that this understanding gets the causal story backwards. In reality, a group that is perceived to pose a political threat has a racial identity imposed upon it by the state during episodes of oppression.

Publisher Description. Falguni A. Sheth, Toward a Political Philosophy of Race (Albany: State University of New York Press, 2009), xiii + 256 pp. While race is not a central focus of Anglo-American political philosophy, pioneers like Bernard Boxill, Charles Mills, and Lucius Outlaw have worked to make the history, metaphysics, and political significance of race legitimate topics of inquiry.
