I can't point my finger at why, though. White Sand has all the makings of a great Sandersonian epic: spectacular vistas, great magic, human drama, strange and terrifying changes to the status quo, but I found myself, more than once, wishing that I could also read White Sand as a novel.

White Sands Volume I is a wonderful addition to Brandon Sanderson's Cosmere and is given a unique place in it with the graphic novel format. The art and color are amazing, yet the change from word medium to visual does have an impact on how Sanderson's style comes across. Overall a very good beginning with story, characters, and atmosphere.
