Be more effective

the 80/20 principle:  
that 80 percent of all  
our results in  
business and in life

stem from a mere 20 percent of our efforts. The 80/20 principle is one of the great secrets of highly effective people and organizations. Did you know, for example, that 20 percent of customers account for 80 percent of revenues? That 20 percent of our time accounts for

From a strange, dark chapter in American political history comes the captivating story of Ted Kennedy's 1980 campaign for president against the incumbent Jimmy Carter, told in full for the first time. The

Acces PDF

Wow Hunter

Carter presidency

was on life support.

The Democrats, desperate to keep power and yearning to resurrect former glory, turned to Kennedy. And so, 1980 became a civil war. It was the last time an American president received a serious reelection challenge from inside

last all-out floor fight,  
where political

sweep. It is a story

about what
