Write a rough first draft. You may feel pressure to write and rewrite every sentence you put down. But part of writing a memoir is writing an honest account of a pivotal event, in your own words and with your own style. Avoid putting on a "writer" voice. Instead, don't be afraid to write like you speak or talk.

Three, writing about step parenting while you're in the trenches of it is a lot like writing about divorce as you're going through it -- emotions are running rampant and very few writers can steer through the subject with grace and objectivity. Four, and this was a biggie, I often felt like the world's worst stepmother. I mean it. The world's ...

Teachers should write a rationale by explaining the classes they think the book will be appropriate for, how they will achieve the aims and objectives and how students will benefit from the book. In regards to how to write a rationale, teachers should assess the issues of theme, tone and style for the books and check whether there is a need to censor anything.
